

Dear Parents,

The second-grade team will be ordering grade level t-shirts that will show our sense of unity and school pride. The students will wear these shirts on field trips, field day, and for any other special 2nd grade activities. Each class has a designated color, and the design of the shirt can be seen below.

The cost of the **class shirt is \$6.50** per student. Contributions will be accepted through our RevTrak payment system. Please note, not all families will be able to contribute, so we have included an option to sponsor another child if you choose. Payments may be made using your computer or mobile device in just four easy steps. This is a voluntary donation. Please pay through RevTrak by Wednesday, August 30th.
